PRAYING THE BIBLE

For many people, prayer often gets in a rut, as we pray the same things every time we pray. Often that leads to short and weak prayer lives that lack power and urgency.

Beginning at 6PM on Wednesday, October 9,

Pastor Will is going to take us through the book "Praying the Psalms" by Donald Whitney, which focuses on incorporating the Psalms to spark new ideas and new topics for our prayer time.

We'll spend several weeks learning this method as a tool to add to our prayer time and then put it practice during our prayer meeting.
